Docket OST-99-5791

**US AIRWAYS, INC.
d/b/a US AIRWAYS
d/b/a METROJET**

NOTICE OF REGISTRATION OF TRADE NAME

On June 2, 1999, US Airways, Inc. d/b/a US Airways d/b/a Metrojet¹ submitted an application under Part 215 of our rules to register the trade name "US Airways Shuttle." US Airways states that "US Airways Shuttle" is the name of its wholly-owned subsidiary, whose operations are being integrated with those of US Airways.

Part 215 of the Department's regulations provides that any carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register a trade name after the carrier gives notification to similarly named carriers of the proposed use of the trade name. Other than US Airways' wholly-owned subsidiary, there are no similarly named carriers; hence, no notification was required.

Since US Airways has complied with the requirements of Part 215, we acknowledge the registration of the trade name "US Airways Shuttle" by US Airways for use in its operations.

Dated at Washington, D.C. June 9, 1999

JOHN V. COLEMAN
Director

¹ US Airways holds certificates of public convenience and necessity for interstate and foreign air transportation.
