

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, D.C.

Issued by the Department of Transportation on August 31, 1999

NOTICE OF ACTION TAKEN -- DOCKET OST-95-617

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Applicant: **Cielos del Peru, S.A.**
(formerly known as Export Air Del Peru, S.A.)

Date Filed: November 30, 1998,
as amended July 21, 1999

Relief requested: Exemption from 49 U.S.C. 41301 to conduct scheduled foreign air transportation of property and mail between Lima and Iquitos, Peru, and Miami, FL; New York, NY; Houston, TX; and Los Angeles, CA, via intermediate points in Colombia, Panama and Costa Rica; and charters pursuant to 14 CFR 212 of the Department's regulations, limited to wet-lease operations conducted by a duly authorized and properly supervised U.S. or foreign air carrier.

Applicant representative: William Evans 202-371-6030

Responsive pleadings: Fine Air Services, Inc., withdrew its answer in opposition on July 20, 1999.

DISPOSITION

Action: Approved

Action date: August 31, 1999

Effective dates of authority granted: August 31, 1999 - August 31, 2001

Basis for approval: The authority is encompassed in the U.S.-Peru Air Transport Agreement. We found, based on the record, that the carrier is properly designated and licensed, and operationally and financially qualified to undertake the proposed operations.¹ Cielos del Peru requested a waiver of our citizenship requirements. We granted the carrier's request. Despite the presence of non-homeland interests, we found that there was nothing in the ownership and control of the carrier that would be inimical to U.S. aviation policy or interests. Therefore, we concluded that waiver of our standard requirement that substantial ownership and effective control of a foreign carrier rest in the hands of citizens of its homeland was warranted.

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations indicated:

Standard exemption conditions (attached) Special conditions: In the conduct of the services authorized, Cielos del Peru shall use only aircraft wet-leased from a duly authorized and properly supervised U.S. or foreign air carrier that receives requisite authority under the provisions of 14 CFR 212 of the Department's regulations.

Action taken by: Paul L. Gretch, Director
Office of International Aviation

We found that the applicant was qualified to perform its proposed operations.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

¹ We have been advised by the Federal Aviation Administration that it knows of no reason why we should act unfavorably on Cielos del Peru's application so long as its operations are specifically limited to the use of wet-lease carriers from the U.S. or a country that has been found by the FAA to meet ICAO standards regarding safety oversight.
