

UNITED STATES OF AMERICA
DEPARTMENT OF TRANSPORTATION
NOTICE OF ORDER ADJUSTING THE
STANDARD FOREIGN FARE LEVEL INDEX
DOCKET 37554

Section 41509(e) of Title 49 of the United States Code requires that the Department, as successor to the Civil Aeronautics Board, establish a Standard Foreign Fare Level (SFFL) by adjusting the SFFL base periodically by percentage changes in actual operating costs per available seat-mile (ASM). Order 80-2-69 established the first interim SFFL, and Order 99-10-9 established the currently effective two-month SFFL applicable through November 30, 1999.

In establishing the SFFL for the two-month period beginning December 1, 1999, we have projected non-fuel costs based on the year ended September 30, 1999 data, and have determined fuel prices on the basis of the latest available experienced monthly fuel cost levels as reported to the Department.

By Order 99-12-20 fares may be increased by the following adjustment factors over the October 1979 level:

Atlantic	1.3991
Latin America	1.4912
Pacific	1.5635

By the Department of Transportation:

Dated: December 22, 1999.
