Statement of Authorization for DHL International E.C. and DHL Airways, Inc., code-share operations dated March 6, 2000, and conditions therein.

Special condition: In the conduct of the services authorized, DHL International E.C. may use only aircraft wet leased from a duly authorized and properly supervised U.S. or foreign air carrier that receives requisite authority under the provisions of 14 CFR 212 of the Department's regulations.

**Action taken by: Paul L. Gretch, Director  
Office of International Aviation**

We found that the applicant was qualified to perform its proposed operations.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.

<sup>1</sup> The United States and Bahrain have signed an open skies agreement. However, the agreement will not become effective until the

The code-share operations authorized here are subject to the following conditions:

- (a) The statement of authorization will remain in effect only as long as (i) DHL International E.C. and DHL Airways Inc. continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share and/or alliance agreement providing for the code-share operations remains in effect;
- (b) DHL International E.C. and DHL Airways Inc. must promptly notify the Department if the code-share agreement providing for the code-share operations is no longer effective or the carriers decide to cease operating any or all of the approved code-share services. We expect this notification to be received within 10 days of such non-effectiveness or of such decision. Such notices should be filed in Docket OST-99-5470;
- (c) The code-sharing operations conducted under this authority must comply with 14 CFR 399.88 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (*i.e.*, the carrier shown on the waybill) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the shipper; that the shipper liability of the operating carrier be unaffected; and that the operating carrier shall not permit the code of its U.S. code-sharing partner to be carried on any flight that enters, departs, or transits the airspace of any area for whose airspace the Federal Aviation Administration has issued a flight prohibition; and
- (d) The authority granted here is specifically conditioned so that neither DHL International E.C. nor DHL Airways Inc. shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.

We may amend, modify, or revoke this authority at any time without hearing.<sup>1</sup>

<sup>1</sup> We note that the code-share agreement as submitted did not include provisions regarding exclusive dealings between the code-share parties. Should the parties subsequently decide to amend their code-share agreement to include any provision relating to an exclusive arrangement between the parties, that amended language must first be submitted for consideration by the Department.
