Issued by the Department of Transportation on the 26th day of January 2001.

**In the matter of**

Registration of DHL Worldwide Express, Inc.  
as a Foreign Air Freight Forwarder Pursuant  
to 14 C.F.R. 297

Docket OST-2001-8732-6

**NOTICE EXTENDING PROCEDURAL DATE**

On January 18, 2001, United Parcel Service Co. (UPS) filed a Petition for Review of Staff Action concerning approval of the registration as foreign freight forwarder of DHL Worldwide Express, Inc. UPS accompanied its petition with a Motion to File an Otherwise Unauthorized Document. Answers to the petition are due on January 29, 2001.

On January 25, 2001, DHL Worldwide Express filed a request to extend the answer period for the petition to February 5, 2001, stating that it requires additional time to prepare its answer in light of the broad assertions made by UPS in its petition. The request also stated that UPS, the sole petitioner, does not object to the extension sought.

We believe that it is in the public interest to grant DHL Worldwide Express' request to extend the answer date in this case to February 5, 2001. Due to the pendency of the date for filing, we are acting without waiting for answers to the request.
