<sup>1</sup> Pursuant to Order 88-10-30, U.S. carriers certificated/designated under the U.S.-Mexico Air Transport Agreement are required to notify the Department if they fail to inaugurate service within the 90-day start-up period, or when discontinuing service on a U.S.-Mexico city pair for 90 days or longer. In Order 88-10-30, we stated that we would entertain requests for extensions/exemption from the 90-day start-up period for good cause shown. Such requests are noticed here so that other carriers may determine if they wish to file responses. Objections to the above request(s) should be addressed to: U.S. Department of Transportation, U.S. Air Carrier Licensing Division, X-44, 400 Seventh Street, SW, Washington, D.C. 20590, by the response date listed above.
